SUMMER 2026

A mountain adventure vacation for children and teens from 6 to 17 years old!

International Camp Sancelso 2026

An international English-language summer camp in an exclusive and private location in Castione della Presolana (BG)

The Camp

International Camp Sancelso offers a **summer camp in English** in a relaxed, welcoming **international environment**, with teachers and friends from all over the world!

Our holidays for children and teens focus on language learning, cultural exchange and building lasting friendships between young people from different countries.

Thanks to our decades of experience, we have developed a teaching approach based on playful and recreational activities, including sports, role-playing, arts and crafts, science, and cooking workshops - all conducted in English by native speakers

and experienced counsellors, both Italian and international, holding CELTA, IELTS, TOEFL or similar certifications. This allows us to create a **truly international atmosphere!**

We believe that **experiencing the mountains** is both enriching and educational: children and teenagers can take part in excursions, outdoor cooking, and enjoy the thrill of **spending the night in a tent or a mountain hut.**

Days at Camp take place mostly outdoors, with group sports and exciting activities such as **paintball, indoor climbing, horse riding, archery, summer bob, e-biking, canoeing or sailing**, as well as visits to the **adventure park** and **water park.**

Through these experiences, the Camp becomes a true opportunity for personal growth in close contact with nature!

The program varies depending on the participants' age, but the common goal is to help them grow into open-minded, active, confident, aware and environmentally conscious young people. Our counsellors support children and teens with great dedication, always prioritizing their health and safety. Through games, activities, and shared experiences, participants have the opportunity to learn about Italian language and culture naturally and spontaneously. We strongly believe in **cultural exchange** as a way to help young people become true **citizens of the world!**

We provide a **varied and balanced menu**, with a focus on organic products and locally grown foods, and we are fully equipped to accommodate special dietary needs.

Education & Entertainment

In a word: **Edutainment**.

Education is a core part of our program. We began as a school and have always placed equal emphasis on both the **recreational and educational aspects** of camp life.

Our mission - focused on emotional growth, social skills, respect for rules, and

personal well-being - is to create a truly healthy community: the International Camp Sancelso. In doing so, we hope to contribute, in our own small way, to a more inclusive, caring, and positive society.

Location

Villa Sancelso, in Castione della Presolana, is the home to the International Camp Sancelso. Located at an altitude of 900 m, it lies at the foot of the **Presolana Massif** and **Mount Pora**, right next to the **Orobic Bergamasche Regional Park** - a stunning mountain area with peaks over 3,000 m, vast valleys, and lush forests. It is the largest high-nature protected

area in Lombardy, a truly magnificent and captivating green space.

Castione della Presolana is a charming village in the **Val Seriana** mountain community, known for its traditional architecture that highlights natural materials such as wood and stone, and for its privileged location, offering breathtaking views of the Val Seriana.

Villa Sancelso, with its **14,000 m² of surrounding green area** and sports facilities, is **entirely reserved for International Camp Sancelso participants** throughout the summer camp.

Our goal is to provide comfort, safety, and a welcoming environment, carefully considering the needs of children and

teens to ensure a **perfect holiday experience!**

Villa Sancelso is easily accessible from the major cities of Northern Italy: it is located 90 Km from Milan, 70 Km from Brescia, just 40 Km from Bergamo, and 45 Km from Orio al Serio International Airport (BG).

At International Camp Sancelso, every vacation is meant to be lived naturally, respecting the natural rhythms of our young guests.

This is why we encourage participation in **two weeks periods**, which, in our
